WORK EXPERIENCE

Work Experience At Lets Grow More Business Data Analyst Internship
Lets Grow More

11/2021 - 12/2021   *New Delhi/India*

Achievements/Tasks

- **I achieved 100% Task Performance. In this Internship. I Lead a team where a lot of people are mine under guidance. I have done 6 out of 7 Projects. This internship is only a one-month duration.**

Work Experience
The Sparks Foundation Internship Team Leader

11/2021 - 12/2021   *Singapore/Singapore*

Achievements/Tasks

- **In this Internship. I help a lots of Students and i done 7 out of 8 Projects. This internship is only a one-month duration.**

PERSONAL PROJECTS

1) Laptop Price Predication. (08/2021 - 08/2021)
- **This Project helps us to Predict Upcoming Laptop Prices. This Project achieves 92% Accuracy Score.**

2) COVID-19-Live Analysis and Data-Visualization.
 (08/2021 - 09/2021)
- **This project is helping us to Check where the Covid-19 Cases high rated or where the Cases is low.**

3) Breast Cancer Disease Project. (09/2021 - 09/2021)
- **This Project helps us to Predict this Person has Diabetes Disease Project or not.This is also a Classification Problem and its Accuracy Score is 96%.**

4) Whatsapp Chat Analyzer. (02/2022 - Present)
- **WhatsApp-Analyzer is a statistical analysis tool for WhatsApp chats. Working on the chat files that can be exported from WhatsApp it generates various plots showing, for example, which participant a user responds to the most.**

- **This Project helps to recommend the movies to imporve their usability.**

6) Cryptocurrency Price Prediction Using FB-Prophet.
 (11/2021 - 12/2021)
- **This Project helps to Predict or Focast the cryptocurrency Coins.A user easily invests the amount to a Profitable Coin.**

EDUCATION

Bachelor's Of Computer Science
Institute of Management Sciences, Lahore

10/2019 - Present   *Lahore,Pakistan,CGPA : 3.54/4.0*

SKILLS

`Machine learning` `Deep Learning` `NLP` `Statistics`
`Database : MySQL and SQL-Server` `Python` `C# .net`
`C++` `Exploratory Data Analysis` `Power BI` `Time Series`
`Data Analyst and Data Visualization.` `Presentation skill`

ACHIEVEMENTS

1) I also earned the Kaggle Master Level reward.

2) I also earned as a Kaggle Study Competition.

3) Certified Machine Learning by Stanford University professional course and also earned IBM Digital Machine Learning and Data Scientist Badges.

4) I am also certified With IBM and Deep learning.ai.

5) I also earned Linkedin Assessment Test with a rank in the top 10% of the world.

6) I achive my university coding challenge with first postion.
